

## Next generation part II

Behind my back the Danish House of kings have taken my seed and made 10 children behind my back.

**Passport children: 050795-1867, 050895-3410**

**"Sani": 050795-1867**

**Eksempel on MÅL i M (Measurements in meters)**

I have a girl called Tiffany and her CPR is 220802-6022. She have 22 in the end and 22 at the beginning. 22 is clock 10 and here name starts with **TI**.

I am 186 cm high.

If I put my height into Sanis CPR-number then his cpr number becomes: 050795-**1863**

## My Height

When my height and Tiffanys last numbers are put into the cpr-number of "Sani" - I am 186 cm.

Princess Leonor appeared on my facebook and she have 2 stripes on her shoulder and the text is talking about housing. Number 2 girl name in the book of kings is Tanja Dana Husum. No money has arrived to build a house so that is a lie and that rimes on height in Danish (løg → høj).

### Maiken Gade Misser Winterberg: 050895-3410

I saw Maiken Gade Misser Winterberg in the book of kings in 1999. My seed was taken in 1994 at Rantzausgade by an old (**winter**) lady when I was a soldier in Aalborg. I did a **Misser** (missed the target) in a condom.
